Services:

Bagging	Freight Brokering	Transloading
Consulting	Human Resources	Transportation
Contingency Planning	Scheduling Storage	Warehousing

Description:

The Good family of companies (GFoC) provides their customers with integrated transportation and logistics solutions, as well as warehousing, bagging and storage of bulk materials, such as food and farm products, building and utility materials, paper and steel. They are among the premier, private logistics companies within the Norfolk Southern Railway Distribution Network. They serve the pet food, automotive, components and fittings, energy, communication, concrete, construction and transportation industries. They solve material handling and product movement problems.

Employment benefits:

- 5 weeks of paid vacation according to length of employment, and 7 to 8 paid holidays depending upon when Christmas falls on the calendar.
- Fresh uniforms, work boots and mobile phones for all employees.
- Partially-paid health care premiums: the companies pay 70% of health insurance premiums for both **employees** and their families.
- Retirement program: Dollar for dollar matching, up to 3% of the employees' salary.
- Interest-free loan program.
- Equipment lending program: Employees can borrow company-owned equipment for their personal use.
